PROFILE

- An intelligent, efficient, pragmatic, solution-oriented, charismatic (ex-) military professional (OF-5), with 35 years of leadership experience gained in a series of progressively challenging and demanding posts in mainly operational environments at home and abroad.
- Fields of expertise focus on operational as well as exercise planning and scenario development at operational level (JTF & Corps level), Directing Staff at Command & General Staff College level and resource management.
- Extensive international experience through multiple postings (SHAPE, Striking Fleet Atlantic, 1st German-Netherlands Corps).
- Multi-language communication skills (fluent in English, German, Dutch and some French).
- Builds on a solid-base, multi-faceted education with graduate level studies at the Royal Military Academy, the Dutch Army Command & General Staff College (CGSC), as well as various operational & managerial courses, topped with a Master's Degree (MBA) in Public Governance.

RECENT "post active-duty" EXPERIENCE

CTS, NORWAY - September 2016 - now

- As member of a team of 5, act as MEL/MIL Coordinator for NRDC-Turkey's exercise Eurasian Star 2017.
- Contribute to incident development and MEL/MIL scripting as well as role-play DCOS J3/J5 during OLRT & Exercise Execution for Trident Jaguar 2017 (JWC-sponsored exercises with 1 GNC and RRC-France, SKOLKAN 2 scenario).

OAKAS, UK - January 2015 - July 2016

- As Project Manager with a team of three, amend and further develop the African North-East Quadrant (ANEQ) scenario for a series of exercises leading to Eurocorps' certification as European Union Battle Group (EUBG) for the 2016-2 and 2017-1 stand-by period.
- As Project Manager with a team of four, develop the MEL/MIL for Eurocorps' exercises European Effort, European Endeavour and European Spearhead and execute all exercises with 4 Event Managers and 6 - 9 Role Players.
- Contribute to incident development and MEL/MIL scripting as well as role-play DCOS J3/J5 during OLRT & Exercise Execution for Trident Jaguar/Jewel 2015 (JWC-sponsored exercises with ARRC, NRDC-Italy and MARCOM, SKOLKAN 2 scenario).
- Contribute to incident development and MEL/MIL scripting as well as role-play DCOS J3/J5 during OLRT & Exercise Execution for Trident Juncture 2015 (JWC-sponsored exercise with JFC Brunssum, CERASIA scenario).

ISG, USA - February 2014 - October 2014

- Write a business development programme for ISG
- Substantial amendment of the CERASIA-scenario and development of a number of planning situations for use by the German "FührungsAkademie der Bundeswehr" (aimed at taking students through the initial operational planning process and then tasking them to assess progress of the campaign based on additional updates to the situation).

SCS, UK - November 2012 - December 2013

- Act as Brigade Commander for exercise Noble Ledger with the ARRC;
- Role-play higher government-level representation of the Ministries of Economy, Industry & Trade for exercise Joint Exploration 2013 with Eurocorps;
- Role-play SRSG, Deputy SRSG, several NGOs and ICRC for exercise Joint Spirit 2013 with Eurocorps;
